NIHOA Team Stripes & Red Cross

Wednesday, June 24, 2020

Fellow officials,

I hope you all are staying ready for when the opportunities to skate become available. We are entering an unprecedented time in most of our lives and I am sure you all have many questions about how the coming season will pan out. I am also sure many of you have pondered the same questions we have about the situation with COVID19 such as, "did I have it", and "how can I find out"? Last week the Red Cross announced (beside the need for donors) that they would be adding the test for COVID19 antibodies to the many items they already screen for. This is a good oppor1tunity for us as officials to help others in need, as well as getting tested to understand if you have had the COVID virus. We at NIHOA have set up a team ("Team Stripes") thru the Red Cross app (which can be used to find and set up an appointment) and we hope you will join us in donating blood to the Red Cross.

Join our team and help American Red Cross impact even more lives.

NIHOA Team Stripes - American Red Cross

Stay Safe and healthy

Sincerely,

Bruce Bagley

2nd Vice President

"Symbol Of Excellence In Ice Hockey Officiating Since 1940."
